

Opening
October 1st!

It's like an express lane
for when you're sick.

FastCare is healthcare from Sturgis Hospital professionals, but you don't have to be one of our patients — just someone who wants the help without the wait.

FastCare accepts most insurances and your office visit co-pay applies.
Have a high deductible plan or no insurance?
A FastCare visit is just \$75, including labs.

Located Inside **meijer**

408 W. South Street • Sturgis
