THE IMPORTANCE OF HAVING A FAMILY DOCTOR

Family physicians specialize in providing quality health care to you and your family, helping guide you and your loved ones in the right direction to choose the best healthcare decisions each time.

Family Doctors:

- Save you money on unnecessary emergency room charges
- Focus on preventative care, which is centered around helping your loved ones stay healthy
- Maintain good relationships with area specialists for situations when you family needs additional expert care
- Treat patients of all ages

The family practice physicians at Sturgis Medical Group (SMG) are always accepting new patients. They accept private insurances including Medicare and Medicaid, as well as private-pay patients. Payment arrangements may be made by contacting the SMG business office at 269 659-9882.
