

Kory Barone PT, DPT

Director of Rehabilitation
(269) 659-4468 ext 1771

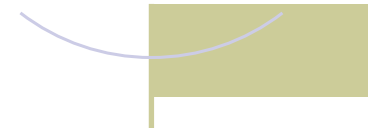

Mrs. Barone received her Doctorate in Physical Therapy from Central Michigan University in 2012 and her Bachelor of Science in Health Fitness in Preventive and Rehabilitative Programs in 2009 from Central Michigan University. She has experience in out-patient, in-patient, home health and skilled nursing facilities. She has specialized in Functional Capacity Evaluations and IASTM (Graston Technique). She strives to demonstrate and promote patient-centered therapy along with incorporating functional testing into evaluations and treatment plans.
